4389 USA / Backpack with lifting option

7.7 gal

55 LBS

4.4 LBS

REPELLENT

COLOR:

Designed with high-climbing technicians in mind, this premium tool bag provides a comfortable backpack option in addition to a hoisting option. 4389 is designed to be a perfect fit for a laptop, lunchbox, and small personal or office equipment.

- **Dimensions (open):** 13 x 7.9 x 18.3 in (L x W x H)
 - **Dimensions (closed):** 13 x 7.9 x 18.3 in (L x W x H)
 - **Lifting height:** 25.6 in
 - **Material (main):** 0,75 mm Heavy tarpaulin
 - **Material (webbing):** 50 mm polyester
- There is a compartment in the bag where the detachable shoulder straps can be hidden and secured when being hoisted.
 - Three carabiners are included with the bag to keep the zippers closed while being hoisted.
 - A tiny clear pocket is fastened with velcro to the side of the back (for name tags or similar).
 - The bag has reflective material attached to it in various places to increase visibility.
 - There is padding in the three main compartments.
 - 11 smaller, varying-sized compartments maximize the space inside the bag.
 - It has a dedicated laptop compartment.
 - The shoulder straps can be adjusted to suit your preferences and are padded for added comfort.
 - In both versions, the bag's interior padding is red.
 - Premium polyester webbing is used to make the lifting straps.
 - This bag's bottom is composed of water-repellent dotted PVC.

This model complies to the relevant parts of the following standards:

- EN 1492-1
- ISO 21898
- ASME B30.9
